## Disclaimers for TD Prime Services Portal

---

The prices and related information set forth in this portal represent an estimate of the value of your positions as of the close of business on the date indicated and is provided for informational purposes only by TD Prime Services LLC ("TD Prime Services"). The valuations provided in this portal are based upon information which TD Prime Services believes to be reliable. Such valuations may be derived from available market data (which may be generated internally) and/or internal models, and may be based upon certain assumptions, all of which are subject to change without prior notice. No guarantee or warranty is made as to the reasonableness of the assumptions or the accuracy and completeness of the models or market data, and the information should not be relied upon as such. TD Prime Services is not responsible for errors or omissions that may occur in connection with the provision of this information. The valuations set forth in this portal represent neither an indicative or firm quote to transact nor the actual terms at which existing transactions could be liquidated or unwound, and may differ positively or negatively from the most recent valuation previously provided for the position(s) in question. In addition, the valuations set forth in this portal may vary significantly from valuations and quotations that may be provided by another dealer and should not be relied upon by you for the valuation of your positions. All such information is unaudited and subject to subsequent posting and adjustments.

TD Prime Services is providing the information contained in this portal for informational and/or discussion purposes only. This information does not constitute an offer, solicitation or recommendation to buy or sell any security, commodity or other financial instrument, to participate in any trading strategy or to enter into a transaction with you and is not an official confirmation of terms.

The information is provided on the basis that it is intended solely for your own internal use, and that you have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks associated with the positions included in this portal.

TD Prime Services is a full service securities firm, and it and its affiliates may engage in various activities, including securities trading, providing investment banking and financial advice, investment management, principal investment, hedging, financing, brokerage activities and financial planning. Accordingly, any information contained in this portal should not be viewed as independent of the interests of TD Prime Services and its affiliates. Such interests may conflict with your interests and you should be aware of such potential conflicts of interest when reviewing this information. TD Prime Services and its affiliates may maintain a long or short position in securities or other financial instruments referred to in this portal, or in related futures or options, and TD Prime Services and its affiliates may make a market in, or engage in any other transaction involving securities or other financial instruments, and earn brokerage fees or other form of compensation.

The information contained in this portal is made without regard to the specific investment objectives, financial situation or the particular needs of any specific person who may receive this information. As such, prior to entering into any transaction with TD Prime Services or its affiliates, you should determine the financial suitability, risks and merits of the transaction, including all economic, legal, tax, accounting or any other consequences associated therewith, using your own independent judgment and without reliance upon TD Prime Services or its affiliates. Neither TD Prime Services nor its affiliates make any representation as to any tax, accounting, legal or regulatory issues.

In addition, (a) TD Prime Services is not recommending an action to you, as a municipal entity or an obligated person, that would constitute advice within the definition of "municipal advisor" pursuant to Section 15B of the Securities Exchange Act (the "Municipal Advisor Rule"); (b) TD Prime Services is not acting as an advisor to you and does not owe a fiduciary duty to you, including pursuant to the Municipal Advisor Rule, with respect to the information contained in this portal; (c) TD Prime Services is acting for its own interests; and (d) you should discuss any information contained in this portal with any and all internal or external advisors and experts that you deem appropriate (including, but not limited to, tax, accounting, legal, regulatory and other advisors) before acting on this information.

The information contained in this portal is based on material that TD Prime Services believes to be reliable. However, no representation is made that the information contained in this portal is current, accurate in all material respects or complete or has been independently verified by TD Prime Services.

Historic information is not indicative of future performance and you should understand that statements regarding future prospects may not be realized. Any market valuations contained in this portal are indicative values as of the time and date indicated. Any prices contained in this portal

do not represent a firm bid or offer on the part of TD Securities. Any indicative prices may differ substantially from a firm bid/offer. Firm bid/offer prices can only be obtained on a real-time, expressly agreed upon, basis. Any indicative prices do not necessarily reflect TD Securities' internal bookkeeping or theoretical data-based valuations. Certain factors which may not have been assessed for purposes of these indicative prices, including, notional amounts, spreads, underlying volatility, costs of carry or use of capital and profit, may substantially affect a stated indicative price. TD Securities does not guarantee that different prices and/or valuations would not be available elsewhere and suggests that valuations from other sources be obtained for comparison. Accordingly, under no circumstances should you use the prices contained in this portal for purposes of valuing your own books and records. Any price, valuation or estimate is subject to change without notice and final prices may differ depending on market conditions.

The past performance of any securities, indexes or other instruments referred to in this portal does not guarantee or predict future performance. Please note that any market values provided may be affected by a number of factors including index values, interest rates, volatility, time to maturity, dividend yields and issuer credit ratings. Any calculations of returns on instruments referred to in this portal may be linked to a referenced index or interest rate. In such cases, the investments may not be suitable for persons unfamiliar with such index or interest rate, or unwilling or unable to bear the risks associated with the transaction. Any products denominated in a currency, other than the investor's home currency, will be subject to changes in exchange rates, which may have an adverse effect on the value, price or income return of the products. These products may not be readily realizable investments and/ or not traded on any regulated market. Any securities referred to in this portal involve risk, which may include interest rate, index, currency, credit, political, liquidity, time value, commodity and market risk and is not suitable for all investors.

TD will not be liable, whether for negligence, breach of contract or otherwise, for any loss or damage suffered (including, without limitation, indirect or consequential losses or damages or lost profits), resulting from the use of, or reliance upon, any information contained in this portal.
